Noel Vanstone might have cleared up some of the difficulties in connection with his father's instructions.
As events had turned out, there was no help for it but to wait for a few days more.
When I received the answer, referring me to his written instructions to his lawyer in London – and when a copy of those instructions was placed in my hands, I positively declined, on becoming acquainted with them, to receive the writer's decision as final.
"It is surely enough that you know the result of the instructions. Why should you agitate yourself to no purpose by reading them?"
"There can be no end gained," pleaded the lawyer – "forgive me for saying so - there can really be no useful end gained by my showing you the instructions."
Pendrill quietly took the written instructions from his pocket.
Your instructions on both these points you will find detailed in the next paragraph.
Magdalen's resolution to possess herself of the Instructions did not appear to have produced a favorable impression on the lawyer's mind.
She slowly reached her hand to the copy of the Instructions, and slowly folded it up again, in the shape in which it had been presented to her.
Pendrill put the Instructions back in his pocket, considered a little, and, turning toward Norah and Miss Garth, recalled their attention to the present and pressing necessities of the time.
But they were not prepared for her invincible resolution to read the Instructions; for the terrible questions which she had put to the lawyer; for her immovable determination to fix all the circumstances in her mind, under which Michael Vanstone's decision had been pronounced.
But I must take my instructions back to London with me to night.
