Ninja came through with another perfect product. This air fryer has so many options for cooking, perfectly I might add. You won't be disappointed. And the perks that it flips up to have your counterspace is the nicest feature. -JenMatNinja® Flip Toaster Oven & Air Fryer So many uses! The instructions were very clear and it was easy to prime the system and set everything up. It can be set to either classic, rich (for a stronger brew) or over ice if you prefer an iced coffee. -thisgirl00Ninja® Espresso & Coffee Barista SystemI've only had this coffee maker 2 weeks. I'm so glad I purchased it! I've made many specialty hot coffee drinks, sugar free frappes, and I really appreciate the hot water feature to brew tea. The milk frother is an added bonus. -cjm70Ninja® DualBrew Pro Specialty Coffee SystemGet all your coffeehouse favorites in one compact machine. Create perfect cups of coffee from pods or grounds. • Fold-away built-in milk frother• Removable water reservoir• Thermal Flavor Extraction Technology Customize your brew with the choice of Classic, Rich or Over Ice. • 8 grounds brew sizes and 4 pod brew sizes • Keep Warm and Delay Brew functions • Removable reservoir for easy refilling Best Seller! Ninja Crispi™ 4-in-1 Portable Glass Air Fryer Cooking System All-in-one portable cooking system Power of a full sized air fryer 4-qt and 6-cup containers 4-in-1 functionality Ninja FrostVault™ 50qt Hard Cooler with Dry Zone Premium ice retention for daysNinja FrostVault™ dry cold storageFits up to 80 cans (no ice)Fits up to 45 cans (with ice)5 year limited warranty I bought the Ninja Sizzle and promptly chucked out the old BBQ and never looked back.
