Learn Mandarin Chinese with John Columeau's Clear and Structured Method. Prepare for the HSK Language Certificate.The MOOC offered by John Columeau (LI Tianxiang) provides a clear and structured way to learn Mandarin Chinese. The courses are organized according to the programs of the Chinese Proficiency Test (HSK). With high-level courses, specialist advice, and dynamic tests similar to real exams, you can prepare for the HSK language certificate.For companies, teaching both Chinese language and cultural codes gives solid skills to employees who will quickly adapt to the Chinese world. The platform offers hybrid courses with private lessons, monitored progress, and official certification (LILATE).Individuals can discover Chinese and culture independently at competitive prices, benefiting from shared educational support on the Forum. Prepare for the HSK by testing your level for free or completing simulations of HSK 1-5 tests.Access to all training is available for advanced users who progress quickly. To pass several HSK levels, a bank of questions is provided. Jean Columeau, with over 16 years of teaching experience and a background as a sworn translator and interpreter, offers a pedagogy that balances communicative and formative aspects while paying attention to cultural codes.The founder's career and the dual Franco-Chinese couple bring authenticity to the language and culture. Discover more about John Columeau's complete career and the method.Thanks for appreciating the responsiveness of the site owner whenever we post questions on the forum. The website is user-friendly and well-structured, with all levels and lessons easily accessible from the same place you've logged into.While browsing online, I came across "Learn-chinese.online"... I registered in January 2019 and am delighted with my choice. I completed the first two levels easily, achieving good results... I'd like to thank Mr. Tianxiang Li for the richness of his courses and all the work of organizing his site, which is well-structured.Thanks also to your videos, they're a nice little bonus to watch.It's hard to find a better self-study platform - even other "competitors" rate it as one of the best, if not the best. The pedagogical aspects are neat and always finely explained. We feel lucky to have such learning.I warmly recommend this platform - especially for complete beginners, who after a few months can pass the HSK1 with a score of 200/200. By following the natural progression of sequences, you'll acquire all the necessary vocabulary and grammar for confidence. The exercises in real conditions were invaluable to me, preparing really well for the HSK.Learn Chinese Mandarin with a clear and structured method. Prepare your HSK certificate.
