## What is the difference between a certified and uncertified birth certificate

NCVITALS.com allows you to request a certified copy of a vital record, specifically copies of certified marriage certificates, certificate birth certificates and certified death certificates. Frequently Asked Questions: What is the difference between a certified copy and a non-certified copy of a vital record? A non-certified copy of a vital record will constitute the same information as a certified copy but is not acceptable for legal purposes, such as claiming insurance benefits. How long can I expect to wait before my vital record request is accepted or rejected? While it depends mainly on the county, in general it requires 1-2 working days to process a request for vital records. Is there a maximum quantity of certified copies that I can request? No, there is no limit to how many copies you can request. What identification forms are considered valid to be accepted by the county? The valid identification forms include: Government Passport has issued the government's driving license issued the identity identity card of the state I can call if I have questions or concerns about my copy of vital record certified? The actions register with which you sent the request can answer questions related to your copy of certified vital records. The county numbers can be found on the selected county page. Who can request a certified copy of a vital record? To request a certified copy of a vital it is necessary to correspond to one or more of the listed criteria: the owner of the Vitale Record of the Brother / Sister / Sister / Stepchild / Parent / Step-Parent Sister Non-grandfather Non-grandfather nephew / agent AUTHORIZED OF THE GRANDCHILD. Lawyer, or legal representative of the owner of the Vitale Record Someone who seek information for the legal determination of personal rights or properties such as forms of payment can they use? You can pay with a Visa, Mastercard, discover or American Express Credit / Debit Card. What is the rate for a certified copy? The charge for each certified copy is \$ 10.00 plus applicable commissions. Is there a shipping fee included? Shipping costs will vary by County. You will be informed of the mail fee, if present, before completing your request for vital records. How much does the processing fee costs and what do they cover? The processing fee is \$ 1.00 per certified vital copy and covers the cost of maintaining the website and provide technical support. When will my bank account charged for payment? Once your request has been accepted by the county, it can take 2-4 working days for payment to be processed. Why do you need my email address? Once the request is sent, a printable confirmation of your request will be available for immediate printing and the for your records through the email address provided. This confirmation will contain all information about your request and the order status number. Within a few days of presentation, you will receive another email stating that the payment was accepted or refused by the county. What I do with my order orderNumber? You can periodically check the status of your vital request order by entering the order status number on the first page of Ncvitals.com under "Quick Menu." 1. What is a certified copy of a certificate? A certified copy of a certificate issued by the North Carolina vital records includes a statement certifying that it is a true copy or a true abstract of the original record held by this office. It also has the signature of the state registry and a lifted seal of vital records. A certified copy is required for most legal or official purposes for which a copy of a vital record is required. Certified copies of vital records are not available to everyone. North Carolina Law NCGS 130A-93 (c) Specifies that certified copies of certificates are only available to the following persons: a person requesting a copy of his or her life records or that of the person's spouse, siblings, direct ancestors, direct descendant, STRETPARENT or Stepchild A person seeking information for a legal determination of personal or property rights or an agent's Note: Proof of Identity and Proof of Eligibility are required. Certified copies of the adopted person's birth certificate are only available for the adoption, adoptive parents, adoptive children, adopted children and spouse, siblings of the adopted person (may proof of the report is required). Parent, sibling and sister mean the adoptive parent, brother or sister. These terms do not mean a natural parent, a brother or a sister. The original birth certificates to adopt show the original name of the adoptee and the name of the birth mother are in file sealed and are available only by order of the court. 2. What is an uncertified copy of a certificate? An uncertified copy of a certificate issued by the North Carolina vital records will be on plain (white) paper and will be clearly printed "uncertified." You won't have a seal of life records lifted. Uncertified copies are for informational purposes only and are not accepted for legal purposes. They are available to anyone who sends them unless there are legal restrictions. You must be able to provide us with all required information about the application and pay the appropriate research fees. 3. What is the official website to order a birth certificate? There are 3 options to order NC birth certificates: it is 4. What forms of ID can I use to obtain a certificate? Due to identity theft and other fraudulent use of vital records, the ID of the person requesting a certificate is required. Requests that do not include IDs will be returned. You must include a legible photocopy of one Photo IDs listed below with your request: Current license of the driver issued by the State (address must correspond to the Application Adt on the application) Current non-driver identity card issued to the State (the address must correspond to the address of the Application on the application) Current passport or visa (must include photos) Current US military ID Of the corrections identify card photo dated in the last year current state or US government agency Photo identify card (for people who require certificates as part of the Agency's business) Current identify card for students with a copy of the Transcription If you do not have one of the IDs listed above, you need to provide a legible photocopies of two of the following points below (there must be two forms of ID): the temporary license of the driver; the current utilization law of the license with the Current car recording or the title with the address of the current address bank with the current payment address with indirect with the income declaration of the current address / module W-2 which shows the current address letter of the Government Agency dated in the last six months and shows the current address issued by the state that released the weapon permission showing the address C Orretant If you are unable to satisfy our ID requirements, a family member or other person who has the right to get the certificate and who can satisfy ID requirements, can request it. A list of people authorized to get the certificates is located below "What is a certified copy of a certificate?" Á, 5. Can I order certificates via e-mail? Sorry, we are unable to accept requests by e-mail. Á, 6. What should I do if my son or I was born in North Carolina but there is no birth certificate on the file? Á, 7. How can I get a birth certificate if I weren't born in North Carolina? Born within the United States's birth certificates are maintained by every state for people born in that state. If a person was not born in North Carolina, contact the Vital State Record office in the state in which they were born to obtain a copy of the birth certificate. Look at the National Center for Health Statistics: where to write for vital records. Born out of the United States if a person was born out of the United States, but their parents were citizens of the United States at the time of birth, see the US State Department. Á, 8. Where else in North Carolina can I get copies of vital records? Birth, marriage, death: contact the Deeds Office County Register where the event occurred. (Please be aware of the fact that N. Á, 9. What if the record I try is the oldest than those held by the vital records? Á, 10. How can I correct or change a certificate? Who can I contact the idea of making a change at the record? See the change of a registration page for different types of amendments. If a number of status, you can contact your local health department or the appropriate contact for the modification types listed on the modification page. If there is already a status file number for the record, the request will be an amendment and you will need to contact the county share register. 11. How do I know if the health department has received my payment for an amendment? Amendments are not made at the health department, they are made at the county registry of the Board of Aces. You'll need to call the Register of acts to see if they received the payment. Á, 12. How do I have a social security number for my new child? If you have requested a social security number for your child while completing the birth certificate in the hospital, N. Vital Records will record the birth certificate and will invite the information necessary for social security administration. If you have not requested a number in the hospital, or if you have any questions, you will need to contact your local social security office. Á, 13. If I want to get married in North Carolina, come to your office? It is not true you should contact a register of the acts. They can release the marriage license to you and explain the requirements to get married in North Carolina. Once married, you can get the copies of your wedding certificate from the register of the record of the acts or from N.C. Vital Records. Á, 14. Other questions call N.C. Vital Records at (919) 733-3000 and ask to talk to someone who can answer questions about your specific request.
