JHAH Dental Services now available in MyChart Now available in MyChart: Reschedule your dental appointments Message your dental provider View after-visit summaries Note: Dental care at JHAH is a fee-based service. Fast Pass is a digital waitlist tool on MyChart that offers you earlier access to appointments by alerting you when new openings with our clinicians become available. Hello Patient on MyChart welcomes you to JHAH. You can skip the line and check-in for your appointment on your smartphone. MyChart Bedside helps you stay involved in your care during your stay at JHAH. Use Bedside to learn about your Care Team, check lab results and view your daily schedule, including medication administrations and procedures. Pair the MyChart mobile application with your Apple Watch to receive notifications, view upcoming appointments, read messages, and review medications. Health & Wellbeing Do something for your health and your family will thank you for it. Keep your health screenings current. Having regular mammograms can detect lumps that cannot be felt. A colonoscopy can detect polyps and other growths. And Pap smears and HPV tests can detect pre-cancerous changes in the cervix. PRESENT View our screening programs. We enhance the health and wellbeing of the people we care for in an environment of quality, growth and learning.
