Classifying matter worksheet 2

States of matter

Solid, Liquid, Gas Activity

Milk, Coke, Bell, Balloons, Pear, Books, Hot air balloon, Pen

2. Write the materials

glass	stone	brick	plastic	cotton	steel
-------	-------	-------	---------	--------	-------

3. Classify the words from activity 1.

NATURAL MATERIALS	MAN-MADE MATERIALS

4. Complete the sentences.

wood wood cotton trees cotton flowers sheep

comes from _____
comes from _____
comes from _____

LIVEWORKSHEETS

Mini's house is located 1.4 miles from her school. When she walks home from school, it takes her an average of 24 minutes. Assuming that Mini walks at a constant rate, which of the following functions best models Mini's distance from home, d , in miles, if she has walked a total of t minutes on her trip home that day?

- $d = 1.4 - \frac{7}{120}t$
 - $d = 1.4 - 24t$
 - $d = 1.4 - \frac{120}{7}t$
 - $d = 1.4 + \frac{7}{120}t$
- rate = $\frac{1.4 \text{ miles}}{24 \text{ minutes}} = \frac{14 \text{ miles}}{240 \text{ minute}} = \frac{7}{120} \text{ mile/minute}$
distance from school = rate \cdot t

Clipart and elements found in this document are copyrighted and cannot be extracted and used outside of this file without permission or license. Thank you for your participation! It is designed to introduce the skill of classifying matter. 2 Worksheet Set! This product is a 2 worksheet set that challenges students to look at numerous diagrams of atoms and molecules and classify each diagram as a representation of an element, compound, mixture of elements, mixture of compounds or a mixture of elements and compounds. This product is to be used by the original downloader only. Copying for more than one teacher, classroom, department, school, or school system is prohibited. It is designed to reinforce the skill of classifying matter. Worksheet 1 is an easier exercise that is in full color with 12 large diagrams. This product may not be distributed or displayed digitally for public view. Failure to comply is a copyright infringement and a violation of the Digital Millennium Copyright Act (DMCA). All rights reserved by author. I typically hand this worksheet out in class so that I am able to observe student progress and help students who encounter difficulty. Worksheet 2 is a slightly more difficult exercise that is in black and white with 15 smaller diagrams.
