# Texas gulf coast duck hunting guides

"Above expectations regarding hospitality and accommodation to the upper class!" "Capt. Stephen Boriskie put us in the fish from the first stop. He was completely professional from the beginning to the end that he had with him a great experience at the helm. Comfortable beds and pristine installations around. "Guest of Bay Flats, Antonio B." The food, service, rooms and lodging were all great, as usual. Our guide, Captain Michael Martinez was the best! We had a fisherman the first time with us and Captain Michael was patient, as he took the time to help teach and explain everything we did, everything we took, how and why he defrauded our lines as he did, and everything we saw. "Guest of Bay Flats, James D." Capt. Lil John Wyatt is unbelievable! He put three of the greatest novices you've ever seen on the fish. We have confined ourselves to specifications before 8am! (19) Guest of Bay Flats, Brian G. Represents his favorite shop of dogs and fishing wherever he goes with custom BFL goods sent directly to his door. Take his equipment and family and go out with our guides that deliver him to remote areas that other boats can reach to see few habitats have the opportunity to enjoy. Perfect for beginners or specialists, and we can easily accommodate various boat parties. Youjai Johansson Accent will be falling into a cutting edge area along the western edge of the Gulf of Mexico © xico, where the cascade travels up and down the coast every winter. This stretch of the coast contains an incredible number of native ducks, as well as migratory Gadwall, Widgeon, Pintail, Canvasback, Redhead and Teal. Youjai Johansson will cross the vast and extensive swampy coast of Matagorda Island while our guides quietly push him into a coffin © Poling technique, looking for red fish in clear water. After a long day there, are you willing to lay your head to rest in luxury hotel quality beds and spacious rooms that you'll be dreaming of long after you're gone. Once you have spent the day landing a fish on the fly or 13 birds of birds, you will return to the shrimp of the bay prepared by the chef, crabs Softshell, oysters or his own catch of the day, grilled at perfection. Barred by more than 100,000 acres of protected national reserve, the biodiversity of San Antonio Bay offers coastlines, hymen areas and rich beaches in marine wildlife. At the southern end of the bay, he finds the island of Matagorda, offering untouched coastal enthusiasts à la hunting and fishing opportunities. In the last 25 years, my wife Deb and I are hosting fishermen and hunters on our coastal property in Seadrift, Texas. Nothing makes us happier than sharing this incredible ecosystem with our guests. We grew up humble lodge gets for a seaside for the seaside of 20,000 square feet. Today, we can host at 56 people for days full of action in the water, creating memories that will be with you for the long run. We do not know what you will love more, to land a red or limited to ducks. Then go back to the accommodation, place the feet to the fire, and share tales since the day at a delicious fresh dinner caught from the bay. We can not wait to receive it to the accommodation. Your service, Capt. Chris Martin Rates and Specific Dates More information Photos Book now Oklahoma Duck Hunting with Salinas Outfitters is about 2 things only: providing the best evil hunting in the state of Oklahoma and delivering superior experiences to ensure that customers You'll want to go back. A simple plan that is working very well. A central officer of 5 has a more than 10 years of guide experimenting under your belts. Within an hour of involuntarily from your home, they have accumulated more than 50,000 acres of some of the habitats of more untouched aquatic birds on the Central Flyway, with plans in progress to acquire much more. A long-term habitat development plan maintains those occupied during the Predominant species are maldosos, wigeons, crickets, geese from Cackler Canada, giant geese from Canada, geese with white and light geese fronts. light occurs between a variety of productive habitats to include flooded agriculture, dry cereal fields, ponds,

streams and rivers. Accommodations include private rooms, washer/dryer, fully stocked kitchen, multiple satellite TVs, pit fireplace, bird cleaning station and coffee makers. There are restaurants and grocery stores nearby, too.   Baa160; guests are greeted at the inn every morning by their guides and go to private hunting areas situated 15-60 minutes away.
